## Your All-in-One Financial Companion

ECU helps you stay in control of your money with simple tools designed for everyday life.

Easy • Smart • Secure

## Core Feature

Everything You Need to Manage Your Money

**Track Income & Expenses**
See where your money comes from and where it goes—clearly and in real time.

**Create Smart Budgets**
Set spending limits and get alerts to stay on track.

**Save Towards Your Goals**
Build your savings with clear targets and progress tracking.

**Manage Debts Easily**
Keep track of loans, due dates, and repayments without stress.

**Manage Your Assets**
Track your valuables and store important financial documents securely.

## ECU - More Than Just an App

ECU goes beyond tracking your finances by helping you make smarter financial decisions every day.

**Weekly financial tips**
Learn simple, practical ways to manage and grow your money

**Monthly ECU magazine**
Get insights, trends, and expert advice to improve your financial habits

**Smart notifications & reminders**
Stay on top of bills, budgets, and goals—never miss an update

**Personalized insights**
Receive tailored suggestions based on your spending and saving patterns

**Continuous support**
Access guidance and updates designed to help you stay in control
